Who We Are

Today, Kaplan International Pathways guides more than 20,000 students to university each year as a result of our strong partnerships with universities in Australia, Canada, New Zealand, the UK and USA.

Kaplan

A big part of who we are is where we've come from. Kaplan Pathways is part of global entity Kaplan, Inc., a wholly owned subsidiary of Graham Holdings Company (GHC) a diversified education and media company whose operations include educational services, television broadcasting, online, podcast, print and local TV news, manufacturing, home health and hospice care, and automotive dealerships. The company is listed on the New York Stock Exchange and traded as the Washington Post Company until the newspaper was sold in 2013.

Kaplan is GHC's largest subsidiary, having served approximately 1.2 million students and professionals worldwide and has business relationships with approximately 12,300 companies and more than 4,000 universities, colleges, schools and school districts across the globe. Kaplan is essentially run through two divisions – Kaplan North America and Kaplan International, which encompasses Kaplan Australia and New Zealand (Kaplan ANZ). Kaplan International's businesses are supported by a global recruitment network of more than 300 staff and more than 30 office locations in various source markets.

Kaplan Australia and New Zealand

In Australia and New Zealand, Kaplan offers students a diverse range of affordable and high-quality learning programs. Our diverse family of brands continues to grow, and includes:

Kaplan International Pathways – in Australia, our Pathways portfolio includes:

- the University of Adelaide College (UoAC), our flagship college run in long-standing partnership with the University of Adelaide, a prestigious top 100 university in the world, and which in 2023, celebrated 20 years of partnership with Kaplan.
- the University of Newcastle College of International Education (CIE), offering on-campus pathways to a top 200 university in the world, and
- Murdoch College (MCP), your on-campus pathway to Murdoch University – Kaplan's largest partner university globally.

In New Zealand, our Pathways portfolio proudly features Massey University College (MUC) – your official, on-campus pathway to Massey University.

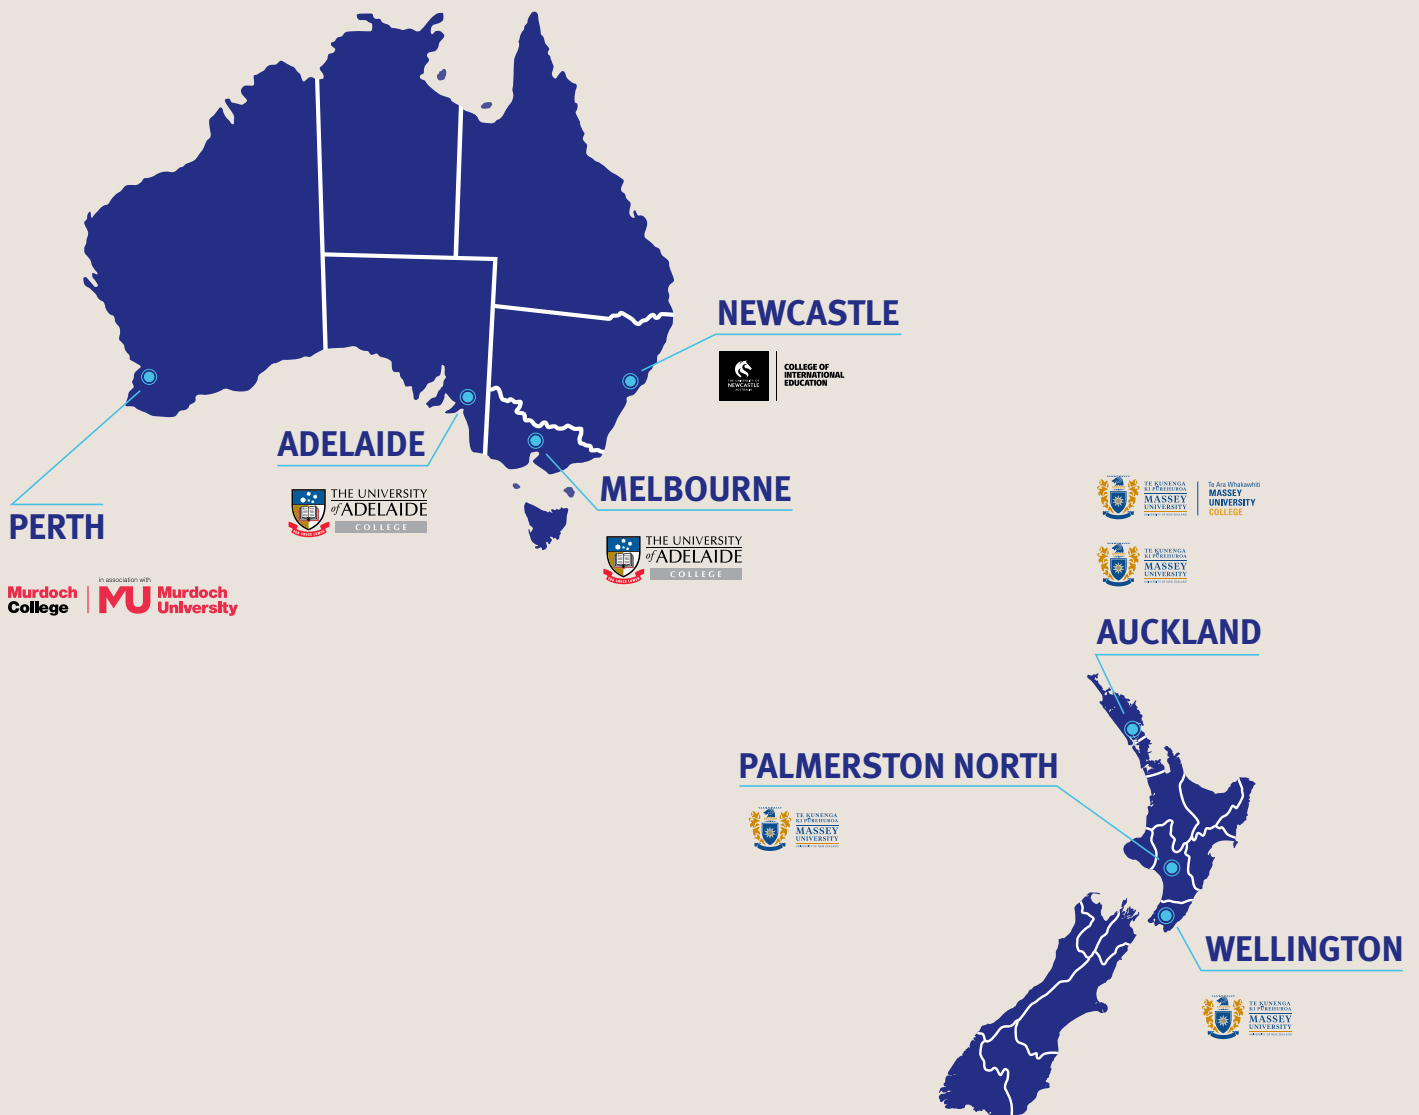

The University of Adelaide Managed Campus – Kaplan manages The University of Adelaide's Melbourne Campus (UoAM), offering students various pathway programs like Foundation Studies, Degree Transfer, or Pre-Master's, setting them on the path towards their desired degrees. From starting their journey in a pathway program to completing their degree in Melbourne, students receive full support and assessments on campus, throughout their academic tenure, ensuring a smooth transition and successful graduation.

Massey University Direct Admission (MDA) – Kaplan is the Master Agent recruiting international students for Direct Admission into Massey University's full suite of undergraduate and postgraduate programs (incl. PhD). Massey University offers students world-leading undergraduate and postgraduate education in high demand fields such as Construction, Food Technology, Development Studies and Business, as well as more unique programmes like Veterinary Science and Aviation.

Kaplan Business School – offers undergraduate and postgraduate courses in a range of business-related disciplines across six campuses in Sydney, Melbourne, Adelaide, Brisbane, Gold Coast and Perth.

Kaplan Professional – Australia's leading B2B online provider of financial planning, real estate, mortgage broking, insurance and leadership education, Kaplan Professional delivers education and training services to over 40,000 professionals each year. This includes over 1,500 corporate clients, representing most financial institutions in the country.

Australia and New Zealand locations

Direct entry to Massey University

Massey University is New Zealand's only national university, with campuses in Auckland, Palmerston North and Wellington, as well as an online campus delivering education that supports higher learning anywhere in New Zealand and around the world.

Massey University stands out for its forward-thinking spirit and ability to deliver high-quality education and research-led teaching. As a leading university in Oceania, Massey University:

- Strives to be a Tiriti-led institution which means the University embraces the integration of te reo Māori and Māori knowledge, so students can discover new perspectives through becoming immersed in Māori culture.
- Is industry focused and collaborates with some of New Zealand's biggest companies and government agencies.
- Has the greatest range of digital teaching technology of any university in New Zealand.
- Champions innovation and offers one of the largest business schools in the country.

1

Massey University is
RANKED IN THE TOP 3% GLOBALLY
and is the TOP UNIVERSITY IN NZ
for Art & Design, Agriculture, Veterinary
Science, Communication & Media Studies,
and Development Studies

Flywire

When it comes to payment of tuition fees, traditionally, this can be a particularly stressful part of students' progression into higher education. That's why Kaplan works with Flywire.

Flywire is the trusted choice of millions of students, thousands of education agents, and hundreds of education institutions around the globe. Kaplan International Pathways has been successfully utilising the Flywire platform for our own body of students for years and we know that it greatly simplifies the payment process. This allows for faster transactions, faster confirmation of enrolment and earlier visa applications, all essential steps in helping students along their higher education journey.
